**Note**

- The certificate of title (also known as a "car title") is a legal document that establishes ownership of a vehicle in the United States. Vehicle titles are "branded" to note certain events in a vehicle's history, such as various types of damage, mileage rollbacks, warranty events, and more.

Damage

Has this vehicle been damaged in the past? What was the value of the damages?

**No issues found**

Damage records

Occasional inaccuracies can occur, especially when checking older vehicles. Underground repair shops may illegally disguise vehicle defects or damages, not recording their existence anywhere. Sometimes, even vehicle VIN plates may be replaced. We have a variety of methods to detect even such crimes, but it's impossible to provide a 100% guarantee.

Natural disasters

Has the vehicle's location been recorded in the area of a natural disaster?

**No issues found**  
Vehicle's location was not recorded in the area of a natural disaster

Market value

How much was the vehicle sold for in the past? What is the price of vehicles of this year and model on average?

**Note**

- Last known selling price: €15,400
- Average market price for such vehicle: €87,279
- Be cautious of hidden issues if the vehicle was on sale for significantly less than the current price!
