# CARVERTICAL

# Legal status

Has the vehicle passed technical inspection? Was it marked as scrapped?

# No issues found

No records about the legal status of this vehicle were found

#### Legal

√= 0= Technical inspection (MOT) Vo record found No technical inspection records found

Scrap V No record found No record that vehicle was marked as scrapped

#### Damage

This section helps you understand whether the vehicle was damaged or inspected for damage, along with recorded cost estimates (if available).

No issues found

**Damage records** 

Right side

Occasional inaccuracies can occur, especially when checking older vehicles. Underground repair shops may illegally disguise vehicle defects or damages, not recording their existence anywhere. Sometimes, even vehicle VIN plates may be replaced. We have a variety of methods to detect even such crimes, but it's impossible to provide a 100% guarantee.

#### Natural disasters

Has the vehicle's location been recorded in the area of a natural disaster?

🔿 No issues found Vehicle's location was not recorded in the area of a natural disaster

#### Market value

æ

How much was the vehicle sold for in the past? What is the price of vehicles of this year and model on average?

#### Note Last known selling price: €20,000

Average market price for such vehicle: €26,747 • Be cautious of hidden issues if the vehicle was on sale for significantly less than the current price!

#### Audi Q7 2017 market value today

Market value is determined by examining the price of a particular car model (manufactured in the same year) in the country where the report was generated. We analyze data from the last 6 months.

Lowest price	Average price	Highest price
€19,431	€26,747	€31,428

#### Records

01/2017 🚱 Country unknown

### 🛞 Was manufactured

The country (or state) indicates either the location of the manufacturing facility, assembly plant, or registration address of the manufacturer. The date may be approximate.

01/2017 🚱 Country unknown

First registration The record represents an administrative event. This could be related to a change of ownership, documents, etc

#### 03/2025 🕳 Poland

🕄 Was on sale

This record was created because the vehicle was listed for sale on a certain marketplace. Sometimes the vendor's country (or state) overwrites the vehicle's actual location.
